INDUSTRIAL

THE PROJECT

FRISCO TRADE CENTER

Frisco Trade Center is a premier three building Class A industrial development totaling 581,256 square feet strategically located in the highly coveted Frisco, Texas submarket. Attributes of the project include:

- **32' to 36' clear heights**
- Divisible to as small as **24,185 SF**
- **Abundant number of car parks and trailer parks** (trailer parking can be converted to additional car parks)
- Rear load building configurations
- **Securable truck courts**
- **Surrounded by** a dynamic corporate landscape and a wealth of nearby **retail and amenities**
- **Strong labor pool** and consumer base
- ±203,000 households within a 10-mile radius
- **Excellent visibility**
- Monument signage available
- Triple Freeport Tax Exemption
- Traffic Count: **Over 55,000 cars per day**
- Seamless access to Highway 380 and the Dallas North Tollway
- Walking and biking trail at the south end of the property
- Heavy Power Potential - Can upgrade service to 10MW relatively quickly with the ability to add even more
