The University of California, Santa Barbara boasts a 4.0 Average Acceptance GPA, a high benchmark achieved by only the top echelon students in the country

UCSB: One of the nation's premier public universities

The University of California, Santa Barbara boasts a sprawling campus situated on 1,055 acres along the pristine California coastline about 100 miles northwest of Los Angeles.

Newsweek has named UCSB one of the country's "hottest colleges" twice in the past decade, and U.S. News and World Report ranks UCSB number 5 among all public universities in its 2022 "Best Colleges" guide.

The university offers over 200 majors, degrees and credentials and boasts an **international student enrollment totaling approximately 25,976 with 3.7% growth from the previous year and 3.2% 5-yr. average growth.** The school consistently bests its annual records for most new applicants, pulling in close to 92,000 for the 2019–2020 term. Additionally, UCSB remains one of the toughest 4-year institutions to get into, demonstrated by its **stringent 32.2% acceptance rate versus the 54.5% national acceptance rate.**

UCSB's renowned current and former faculty includes 6 Nobel Laureates, 41 members and fellows of the prestigious American Academy of Arts and Sciences, 60+ Guggenheim Fellowships, an elusive honor intended for individuals who have demonstrated exceptional capacity for productive scholarship or exceptional creative ability in the arts, and 29 faculty members bestowed with election to the National Academy of Engineering, which is among the highest professional distinctions accorded to an engineer; these are just a few of the distinctions that place UCSB among the top tier of the country's most desirable universities for undergraduate and graduate students.

Not to be outdone by the university's intellectual prowess, **the UCSB Gauchos sports teams are highly regarded in Division I college athletics.** A member of the Big West Conference and Mountain Pacific Sports Federation, the Gauchos perennially elicit top recruits from around the world drawn to the university's acclaimed water polo, swimming, soccer, baseball and volleyball programs.
