1825 CHAPALA ST

SANTA BARBARA CA 93101

1825 Chapala Street is a 40-unit multifamily property located in the heart of Santa Barbara's highly desirable Oak Park neighborhood. Perfectly situated just blocks from Cottage Hospital, downtown State Street, and a wide array of shopping, dining, and entertainment, the property offers residents unmatched convenience while maintaining a peaceful residential atmosphere. Its central location ensures consistent tenant demand, drawing from major employers, public transit, and the vibrant downtown core.

The property is comprised of three well-maintained buildings, each containing junior one-bedroom, one-bath units ranging from approximately 300 to 330 square feet. These efficient layouts feature open bedroom areas without doors, full kitchens, and private bathrooms, with several units offering private patios or fenced yards. Many interiors have been upgraded to modern standards with quartz countertops, new cabinetry, luxury vinyl plank flooring, and newer windows that enhance both comfort and appeal.

Significant capital improvements have been completed, including the full replacement of all roofs in 2023 and the complete resurfacing and re-striping of the parking lot in 2025. Residents enjoy ample on-site parking with 35 standard spaces plus one designated handicap space, as well as a central courtyard with a stone table and barbecue, a large laundry facility, and a secure storage room.

With strong in-place income and considerable room for rental growth, 1825 Chapala Street presents an exceptional value-add opportunity in one of California's most supply-constrained and consistently high-demand rental markets. The combination of its prime location, desirable unit mix, modern upgrades, and recent major building improvements positions this property for long-term stability and sustained income growth.

SANTA BARBARA THE AMERICAN RIVIERA

Symbolizing the ultimate in casual California lifestyle, Santa Barbara is undoubtedly one of America's most desirable destinations in which to live and travel.

Located on a pristine coastline approximately 332 miles south of San Francisco and 92 miles north of Los Angeles, Santa Barbara is nestled between the Pacific Ocean and the Santa Ynez Mountains. This stretch of coast is known as the “American Riviera” because of its mild Mediterranean climate.

With a population of approximately 87,000, Santa Barbara is both small and vibrant. Locals and visitors are drawn to the city's charming downtown and picturesque State Street with its rich Spanish architecture and historical sites, wide variety of shops and galleries and numerous Zagat-rated restaurants. Pristine, sunny beaches, an expansive harbor and countless attractions including the Santa Barbara Zoo, Santa Barbara Mission, Arlington Theatre, Stearns Wharf, Santa Barbara Museum of Art and Santa Barbara Museum of Natural History all add to the area's appeal. And with nearly 200+ vineyards within a short drive, Santa Barbara County is a renowned wine region offering an array of some of the finest labels in the world.
