Plaza Linda Vista is a mixed-use property featuring a professional office component on the first and second floors, with residential condos on the third floor and above the parking garage. Now, 14 of those office condos are being offered for sale, some vacant and ideal for owner-users, others leased and generating income for investors. The seller recently completed the process of condo mapping all 15 office suites in the building, creating individual office condos. Condo maps and HOA information available for review upon request.

SANTA BARBARA THE AMERICAN RIVIERA

Symbolizing the ultimate in casual California lifestyle, Santa Barbara is undoubtedly one of America's most desirable destinations in which to live and travel.

Located on a pristine coastline approximately 332 miles south of San Francisco and 92 miles north of Los Angeles, Santa Barbara is nestled between the Pacific Ocean and the Santa Ynez Mountains. This stretch of coast is known as the “American Riviera” because of its mild Mediterranean climate.

With a population of approximately 87,000, Santa Barbara is both small and vibrant. Locals and visitors are drawn to the city's charming downtown and picturesque State Street with its rich Spanish architecture and historical sites, wide variety of shops and galleries and numerous Zagat-rated restaurants. Pristine, sunny beaches, an expansive harbor and countless attractions including the Santa Barbara Zoo, Santa Barbara Mission, Arlington Theatre, Stearns Wharf, Santa Barbara Museum of Art and Santa Barbara Museum of Natural History all add to the area's appeal. And with nearly 200+ vineyards within a short drive, Santa Barbara County is a renowned wine region offering an array of some of the finest labels in the world.
