The university offers over 200 majors, degrees and credentials and boasts an **on-campus student enrollment totaling approximately 25,034**. UCSB's renowned current and former faculty includes 6 Nobel Laureates, 49 members and fellows of the prestigious American Academy of Arts and Sciences, 60+ Guggenheim Fellowships, an elusive honor intended for individuals who have demonstrated exceptional capacity for productive scholarship or exceptional creative ability in the arts, and 29 faculty members bestowed with election to the National Academy of Engineering, which is among the highest professional distinctions accorded to an engineer; these are just a few of the distinctions that place UCSB among the top tier of the country's most desirable universities for undergraduate and graduate students.

Not to be outdone by the university's intellectual prowess, **the UCSB Gauchos sports teams are highly regarded in Division I college athletics**. A member of the Big West Conference and Mountain Pacific Sports Federation, the Gauchos perennially elicit top recruits from around the world drawn to the university's acclaimed water polo, swimming, soccer, baseball and volleyball programs.
