ZONING

The property is zoned **MP-482-H13 (Prestige Industrial - Holding)** along Mayfield Road and **MS-483-H13 (Serviced Industrial - Holding)** to the north, within the Tullamore Secondary Plan Area.

These designations permit a wide range of employment uses including warehousing, manufacturing, logistics, and related office functions.

Prestige Industrial zoning prohibits outdoor storage and requires high-quality design standards along major road frontages.

Development is subject to full municipal servicing and subdivision approval, with the holding symbol (H13) anticipated to be lifted upon fulfillment of servicing and infrastructure conditions.

Prestige Industrial: 5.03 Acres

Serviced Industrial: 7.41 Acres
