# PROPOSED OFFICIAL PLAN AMENDMENT (OPA 131)

## FUTURE RURAL RESIDENTIAL DEVELOPMENT POTENTIAL

Wellington County's recently adopted **Official Plan Amendment 131 (OPA 131)** identifies Aberfoyle as a key growth area through 2051, expanding settlement boundaries to accommodate future residential, commercial, and employment development. **Currently under final review by the Province of Ontario, OPA 131 proposes to redesignate a portion of the subject lands from Secondary Agricultural to Residential.** The amendment is intended to facilitate long-term community growth while protecting the County's broader agricultural land base, positioning Aberfoyle as one of Wellington County's most strategic growth areas for future investment and development.

# LOCATION OVERVIEW

# LABOUR & DEMOGRAPHICS

## ABERFOYLE

Strategically located immediately south of Guelph within Puslinch Township, **Aberfoyle** offers businesses a highly accessible location at the convergence of Highway 401 and Highway 6, providing direct connectivity to the Greater Toronto Area, Kitchener-Waterloo, Hamilton, and Southwestern Ontario.

The surrounding area continues to experience steady residential growth, supported by strong demand for housing across Wellington County and the Guelph market. Aberfoyle offers an attractive quality of life with a mix of rural character and urban accessibility, making it an appealing location for professionals and families. Ongoing residential growth throughout the surrounding region is reinforcing Aberfoyle's position as an attractive residential community, offering a unique blend of rural character, modern amenities, and convenient access to employment, education, and recreational opportunities.

Aberfoyle is expected to be the primary focus of rural residential growth within Puslinch Township through 2051. **Wellington County has identified Aberfoyle for a significant settlement area expansion to accommodate approximately 200 new homes.** This planned growth is intended to strengthen Aberfoyle as the Township's principal residential community while preserving its rural character and providing additional housing opportunities in a highly accessible location.
