The Owner expressly reserves the right, at its sole discretion, to reject any and all expressions of interest or offers to purchase the Property, and/or to terminate discussions with any entity at any time with our without notice which may arise as a result of review of this Memorandum. The Owner shall have no legal commitment or obligation to any person reviewing this Memorandum or making an offer to purchase the Property unless and until written agreement(s) for the purchase of the Property have been fully executed, delivered and approved by the Owner and any conditions to the Owner's obligations therein have been satisfied or waived.

EXECUTIVE SUMMARY

Lee & Associates is pleased to offer for sale the fee simple interest in 2904 Foltz Drive, in Edgewood, Kentucky. It is a single tenant medical office building of 7,100 square feet that is on a single lot totaling .81 acres. It is leased to Hopebridge Autism Therapy Center, <https://www.hopebridge.com>, a national behavioral health group. The lease is a Triple Net lease with a little less than 3 years of term remaining.

Kentucky mandates insurance coverage for autism diagnostics and therapy for individuals under 21, ensuring stable reimbursement and fueling demand for ABA and related services. This broad coverage sustains autism service providers like Cultivate.

Northern KY, near Cincinnati, is a high-demand, recession-proof zone for ABA services. The presence of Cultivate Behavioral Health & Education further strengthens this property as a key community asset.

The global autism therapeutics market, valued at \$2.35B in 2024, is projected to grow at a 6.12% CAGR, reaching \$4.22B by 2034.

EDGEWOOD, KY

2904 Foltz Drive in Edgewood, KY is positioned within a demographically ideal service area for Applied Behavior Analysis (ABA) therapy, located just minutes from the I-275 corridor and central to Northern Kentucky's most active suburban communities. A 10-mile radius surrounding the property encompasses over 325,000 residents across Edgewood, Florence, Erlanger, Fort Mitchell, and parts of southern Cincinnati, with a high concentration of families, strong private insurance coverage, and a growing demand for pediatric behavioral health services.

ABA therapy, the leading treatment for Autism Spectrum Disorder (ASD), is in increasingly high demand, yet the region remains underserved. The area is supported by a robust referral ecosystem of pediatricians, early childhood education centers, and public and private schools, all within close proximity to the clinic site.

Additionally, Edgewood is within 20 minutes of Cincinnati Children's Hospital, a nationally ranked pediatric institution, enhancing potential referral credibility. With limited direct competition, a dense and well-aligned population base, and favorable payer dynamics, Edgewood represents a prime opportunity for a high-quality ABA clinic to scale quickly and deliver impactful, community-based care.
