SITE PLAN

PROJECT OVERVIEW

- MCC consists of three class a buildings totaling 319,347 SF with the ability to be divisible down to 14,486 SF, and nearly any size in between
- The project provides unmatched, prime exposure and easy access on and off interstate 75, just 2 miles to highway 380, and 6 miles to highway 121 (via I-75)
- MCC offers logistical efficiency and modern industrial space in the booming McKinney market
- Securable car parks and truck courts with optional fencing and additional paved outside storage
- 32' clear heights at each building
- MCC is an excellent choice for companies seeking visibility, with monument signage for all 3 buildings visible from I-75
- Each building includes insulated dock doors, warehouse LED lighting (25 fc avg., motion sensors, battery backup, 12' whips) and significant power that includes 750 kVA Expandable to 2,500 kVA
- [Link to project website](#)

PROJECT HIGHLIGHTS

Location	NE Quadrant of I-75 and Wilmeth Rd McKinney, TX 75071
Total Building Area	319,347 SF
Building A	75,436 SF (Divisible to 14,486)
Building B	175,946 SF (Divisible to 48,471)
Building C	67,965 SF (Divisible to 33,720)

BUILDING A

BUILDING DETAILS

Address	3200 N Central Expy McKinney, TX 75071
Available SF	36,127 SF
Divisible to	14,486 SF & 21,641 SF
Spec Office	4,778 SF total (2,389 SF if demised)
Clear Height	32'
Dock Doors (9'x10')	12 (3 with levelers)
Ramped Doors	0 (Ramp can be added)
Typical Column Spacing	60' x 40'
Staging Bay	60' x 40'
Building Dimensions	180' x 420'
Truck Court Depth	130'
Parking Ratio	±1.27/1,000 SF
Sprinkler System	ESFR
Building Power	750 kVA Expandable to 2,500 kVA
Building Configuration	Rear Load
Roof Insulation	R-25 Insulation
Notes	Frontage & Visibility from I-75

BUILDING B

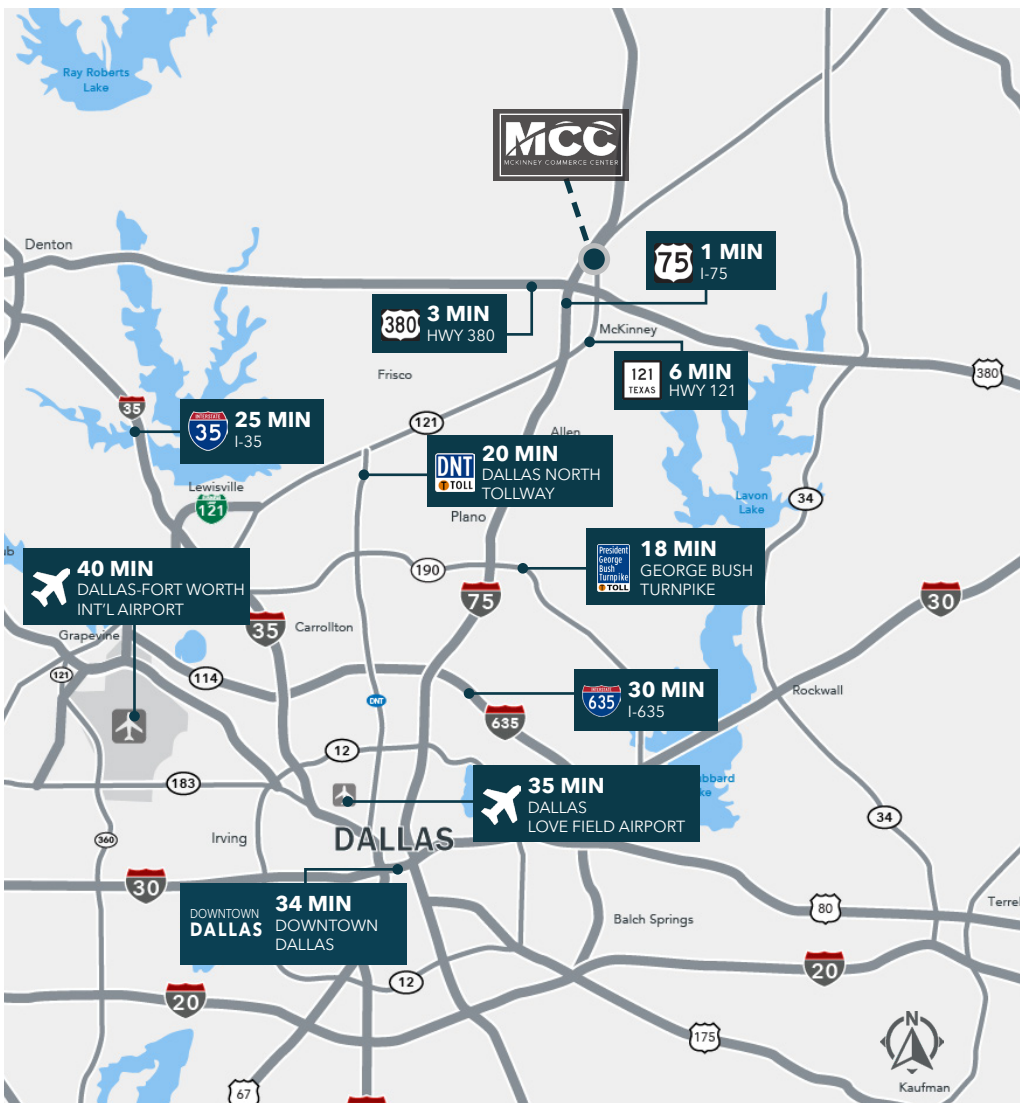

BUILDING DETAILS

Address	3371 Redbud Blvd McKinney, TX 75071
Total Building Size	175,946 SF
Divisible to	48,471 SF
Spec Office	2,697 SF
Clear Height	32'
Dock Doors (9'x10')	34 (6 with levelers)
Ramped Doors (12'x14')	2
Typical Column Spacing	50' x 52'
Staging Bay	60' x 52'
Building Dimensions	310' x 572'
Truck Court Depth	130'
Car Parks	131
Sprinkler System	ESFR
Power	750 kVA Expandable to 2,500 kVA
Building Configuration	Rear Load
Notes	Excellent visibility & access to I-75. Can be fully secured.

LOCATION HIGHLIGHTS

- The location provides quick access to DFW International Airport, the Dallas-Fort Worth Metroplex, and major industrial corridors, allowing businesses to efficiently serve regional and national markets.
- McKinney is one of the fastest-growing cities in Collin County, attracting industrial and logistics businesses due to its strong infrastructure and business-friendly policies.
- The area provides access to a skilled workforce, supporting industrial, logistics, and office roles.
- Proximity to Corporate Neighbors: The development is situated near leading industrial, technology, and logistics firms, making it a strategic location for companies looking to align with major players in the market.
- Traffic Count – approximately 149,000 vehicles per day
